

Local Camp Fire Girls Celebrate 'Thank You Day'

Six Camp Fire Girls from the Okita Group of Torrance took part in "Thank You Day," which was observed by Camp Fire Girls all over the nation as the highlight of their Golden Jubilee celebration recently.

Representing the Harbor District of Los Angeles Area Council were Nancy Davis, Christine Francesconi, Carol Gregory, Claudia Hamilton, Kristin Johnson, and Nadine Tatro who joined a cast of 50 girls to present a summary of the origin and development of the Camp Fire Girls' organization over the past 50 years before an audience of more than 500 council members and community leaders at the Biltmore Bowl in Los Angeles.

THE CAST included Blue Birds, Camp Fire Girls and Horizon Club members, representing the junior, intermediate and senior phases of the Camp Fire Girls' program throughout the Los Angeles Area.

Mrs. Loring Bigelow of Welteria was the recipient of one of the two coveted Ernest Thompson Seton awards, granted annually by the National Organization in recognition of outstanding service contributed to Camp Fire Girls in the community.

AMONG THE Los Angeles Area Council officers who were elected at the meeting was William H. Averell of San Pedro, who was made secretary of the Council. The other officers elected were: president, Mrs. Norman Leonard; first vice president, Miss Vivian Osborn; second vice president, Mrs. Irving R. Eastin; treasurer, Lawrence Helgesen.

The Okita group is sponsored by the Howard Wood PTA. Their Guardian is Mrs. James A. Davis, 2452 W. 227th St.

Sepulveda Work On Schedule, Chace Reports

Supervisor Burton W. Chace reported yesterday that construction work on Sepulveda Blvd., from Figueroa St. to Main St., in the Carson area, is progressing on schedule.

Chace said the north barrel of the proposed four-lane highway has been paved and the west-bound approach aprons completed.

TRAFFIC will soon be diverted onto this completed leg while the south half of the roadway is being constructed, he added.

The improvement, approximately one-half mile in length, consists of reconstruction to alleviate critical structural deficiencies, and widening the street to four lanes.

Chace added that completion of this project will provide improved access to the proposed Harbor Freeway and also be an important step in the ultimate development of this major east-west highway.

THE SECTION of Sepulveda between Vermont Ave. and Figueroa St., through which the freeway will pass, is being improved by the State Division of Highways with County funds and is being coordinated with the construction of the Harbor Freeway. Plans have also been completed for the widening of Sepulveda from Normandie Ave. to Vermont.

Supervisor Chace pointed out that the planned development of Sepulveda will make it the longest continuous County Master Plan Highway. He also noted that cooperation between public agencies in programs of this kind result in great savings for the taxpayers.

King Nominates 2 for Academy

William Ralph Akin, 19524 Flavian, has been selected as one of six nominees for the U. S. Naval Academy at Annapolis, it was revealed this week by Congressman Cecil R. King (D-Calif.)

At the same time, Congressman King announced the nomination of Mark Francis Bishop, 4712 Merrill St., for the Merchant Marine Academy.
